Highest hand on a Bad Beat eligible Texas Hold'em game will receive cash payout. Players must use both hole cards. Minimum hand to qualify is a full house. The pot must qualify for the Bad Beat Jackpot for the hand to be eligible. If two hands tie, the first verified hand will take precedence and is awarded payout. The official game clock will be used to determine all time periods. All hands must be played to conclusion and properly verified prior to the end of a quarter/game. In the event a high hand is not verified before the end of a quarter, the hand will be used for the next quarter. If a hand is not verified before the end of the game, the hand will be nullified. Turning Stone Poker Room management reserves the right to disqualify any payout for any reason. Turning Stone Poker Room is not responsible for typographical errors and reserves the right to cancel or modify this promotion. All winners must have a valid government issued ID and TS Rewards Card to claim any payout. In the event a winner does not have proper ID, the prize will be rolled over for the next time period. In the event that the final winner of the evening does not have proper ID, the payout will be awarded by random draw of all seated live game players.
