

# Skincare Services

Taking a unique approach to skin care, our facial services are completely customizable and targeted to meet your specific skin care needs. Utilizing superior skin care products from Eminence Organics and Phytomer, our estheticians will work with you to create a specialized treatment and skin care regimen individualized uniquely for each man or woman.

## Áhsi' Signature Facial

50 min

This customized treatment includes a cleansing, exfoliation, extractions, treatment mask and a scalp, neck & hand massage.

## Áhsi' Signature Facial

80 min

Enhance our 50 minute facial with your choice of any one upgrade plus a relaxing foot massage, extended facial massage and décolleté treatment.

## XMF Anti-Aging Booster

Specific massage techniques and Phytomer's exclusive XMF technology promise instant, visible results when added to our 80 minute facial.

## Facial Upgrades

Increase the benefits of our targeted facials with these options to address specific areas of focus

## Bright Eyes

Rejuvenating eye treatment to soothe puffiness and tone the eye area

## Anti-Aging Eye Treatment

Targeted eye massage followed by the application of eye contour pads to diminish fine lines and wrinkles

## Hydrating Lip Treatment

Exfoliate and hydrate dry, chapped lips

## Youthful Lip Treatment

Targeted massage and mask to plump lips and reduce the appearance of fine lines.

## Decollete Treatment

This treatment focuses on tightening aging skin and clarifying hyper-pigmentation

## Alphahydroxy Peel

Choose between a stimulating hot peel to promote circulation or a marine based peel to deeply exfoliate and brighten the skin

## Back Detox

Self heating mud applied to the spine, upper, or lower back assists with a full body detox.

## LED Therapy

Targeted light therapy for signs of aging, rosacea, hyper-pigmentation, or acne.
