

We reached into Sam's grandmother's recipe box to create these dangerously good sandwiches that feature savory classics with a contemporary twist. Sam's will offer deli classics such as the featured Reuben sandwich, overstuffed corned beef, pastrami, turkey, roast beef sandwiches, as well as matzo ball soup, latkes, salads, and sides. Don't forget the dessert! Sam's will have classic sweets like carrot cake, banana cream pie, Boston Cream Pie, and black-and-white cookies.
