Designs by Tom Fazio, Robert Trent Jones Jr. and Rick Smith

Discover Championship-Level Golf

Atunyote

The longest of our three championship courses at 7,479 yards, this Tom Fazio design was home to the PGA Tour's Turning Stone Resort Championship 2007 to 2010. The parkland setting of Atunyote (the Oneida word for "eagle") features vast stretches of open space, gently rolling hills, a stream of small waterfalls, and several lakes. Walk the fairways that past champions have all walked.

Kaluhyat

Swing over to the "other side of the sky" at our Robert Trent Jones Jr.-designed course. Measuring in at just over 7,100 yards, Kaluhyat is marked by dramatic changes in elevation, measuring as high as 50 feet in some areas, with plateau settings offering seemingly endless, spectacular views of the surrounding terrain. Kaluhyat is a classic shot-maker's course, where accuracy and strategy are rewarded as much as length.

Shenendoah

Shenendoah offers 18 holes of PGA-level golf in a spectacular natural setting. The course is maintained to comply with stringent Audubon International standards for environmental protection and preservation. Designer Rick Smith used the natural landscape to create wooded parkland holes, open pastures that capture the links feel, and beautifully simple low country-style holes.

Sandstone Hollow

Designed by Rick Smith, Sandstone Hollow was built with the busy golfer in mind. The result: a nine-hole, par three course that winds through woods and wetlands, with greens surrounded by wild fescue grasses and rock outcroppings. This isn't a pitch-and-putt course.

Pleasant Knolls

Pleasant Knolls is a player-friendly recreational course, offering a relaxing nine holes of par 36 golf. Sprawled over 70 acres, Pleasant Knolls features wide-open fairways, fast greens, challenging water hazards and gently rolling terrain.

Sportsplex at Turning Stone and Golf Superstore

The newly renovated Sportsplex is an unrivaled year-round practice facility, offering 36 indoor driving range stations, cutting-edge Trackman technology and 17,000 sq. ft. of short game practice. Our Golf Simulator lets you play the world's best courses in a private, immersive, state-of-the-art environment.
