DRAFT

Fiddlehead IPA

This medium bodied American style IPA has an alluring golden glow and beautifully blends three strains of hops. While strong citrus notes ambush your taste buds halfway through the palate, the beer finishes very crisp and dry.

Bud Light

A combination of both American and imported hops masterfully crafted by Anheuser-Busch the same way since 1982. It provides a crisp, clean taste with its well-known bright golden color.

Michelob Ultra

Anheuser-Busch provides another wonderful beer with their careful selection of hops, barley and grains for a smooth, refreshing beer with only 95 calories. Starting with lime notes and other citrus, it finishes subtly with a slight hop flavor.

Ithaca Flower Power IPA

An IPA true to its name with full hop flavor paired with herbal and floral flavors. It finishes with a touch of fruitiness thanks to the signature yeast from Ithaca Brewing Company, right here in Central New York.

Guinness

A traditional Irish Stout that is achieved using barley and hops. The Guinness Brewery dates back to as early as 1759. Known for the impressive head it creates when poured, it provides a roasted flavor with subtle mild coffee notes.

Blue Moon Belgian White

This beer is a refreshing, medium bodied, unfiltered Belgian-style wheat ale spiced with fresh coriander and orange peel for a uniquely complex taste and an uncommonly smooth finish.

Meier's Creek Floatin' On By IPA

This beer is a German pilsner that delivers a light, crisp brew with delicate floral hop notes. It finishes with a semi-sweet biscuit flavor and boasts a crystal clear appearance. It's the kind of beer that invites you to kick back, relax and enjoy life's simple pleasures.

Brooklyn Lager

A refreshing and flavorful beer perfect for summer. A combination of British, German and American hops create a trademark bready flavor with a hint of lemon without being too heavy.
