## POINTS PROMO

### WEEKLY TOURNAMENTS POINTS PROMO

Starting February 1, 2018

#### POINTS PROMO

Players compete for monthly cash prizes and recognition based on tournament play. Players will accumulate points and funds will be collected from each designated tournament to be used for monthly cash prizes.

#### POINTS PLAY FUND

100% of each of the "Points Promo" funds (\$5 per entry) will be paid out as monthly cash prizes. (This prize pool averages about \$10,000 monthly.)

#### POINT SYSTEM

All tournament players in eligible tournaments will earn points based on the following criteria:

- Participation in a tournament = 10 points
- The players who cash in each tournament will be awarded additional points based on the amount of money they cash for.

*Example: A player enters a \$65 buy-in tournament and cashes in 3rd place for \$347. They receive 10 points for entering plus an additional 347 points for their cash in the tournament. Players who elect to split prize pools will receive points based on the same criteria.*
