Nail Services

Sunflower Verbena Manicure

Sunflower plays an important part in many native rituals. Known for its ability to moisturize and condition, sunflower will soothe your hands while lemon-verbena tones and refreshes.

30 min

Strawberry Hydrating Manicure

Strawberry played an important part in sustaining and nourishing the Natives who lived on the North American plains. This hydrating manicure combines Vitamin C, shea butter, and a paraffin application to nourish and revitalize weary hands.

45 min

SKA:HA: Signature Hot Stone Pedicure

Indulge in a soothing lavender soak, followed by an exfoliating scrub. This relaxing treatment continues with a soothing massage performed with warm basalt stones. Lavender oil and long connective massage strokes lull the mind and body into deep relaxation. All pedicure services include cuticle and nail care.

75 min

Custom-Tailored Pedicure Experience

Our Customized Pedicure Station allows you to create hundreds of different pedicures, allowing you endless possibilities. Choose from scents such as pomegranate, mango, lavender and ginger. Every pedicure includes a lower leg massage with warm towels and a paraffin application.

75 min

Seasonal Manicure & Pedicure

A classic manicure and pedicure in the scents of the season. Ask our spa receptionist for details.

85 min

Shellac Manicure

Flawless color that lasts up to two weeks with mirror shine, no dry time, and no nail damage.

55 min

Shellac Removal

Shellac is carefully soaked off, preparing the nails for your next manicure
