

# Enhancements & Upgrades

*Extend your relaxation with one of our enhancements, or increase the benefits of your treatment with one of our upgrades, no additional time needed. Upgrades and enhancements can be booked with select massage and body treatments.*

## *Enhancements*

*25 min*

### *Sunflower and Mint Foot Cure*

This focused treatment for the feet features a sugar exfoliation utilizing the hydrating benefits of sunflower, followed by an organic mint and arnica cooling foot massage.

### *Strawberry Sugar Scrub*

Oneida culture honors the strawberry as the first berry to ripen and the leader of all plant medicines. This treatment will gently exfoliate your body while enriching the skin with the powerful antioxidant properties of strawberries.

## *Upgrades*

### *Scalp Treatment*

The scalp is massaged with oil enriched with jojoba, kukui and olive oils to deeply condition for maximum health and shine.

### *Hand or Feet Paraffin*

Deeply hydrate hands or feet with the addition of warm paraffin.
